Gentlemen:

In view of the extreme urgency of the work under Contract No. AF33(600)-39868, CS-200, you are hereby given blanket overtime approval. This covers overtime already worked. It is requested that an official of your Company be responsible for authorizing overtime and that overtime be held to a minimum.

The work as outlined in the letter dated November 16, 1959 from Prime #2 is approved as being part of the scope of work under the subject contract. It is not felt that an Amendment is required at this time. This work can be reflected in the contract at a later date.

The final report for the period ending 31 December 1959 should pertain to investigations made by you for lists of materials for Prime #1 and the results. Further in the program a similar report will be required for Prime #2. We would like two copies of the report.

Very truly yours,

A handwritten signature in ink, appearing to read "John Doe".
